What was your involvement in the BCLC?

During my two years in the BCLC, I served as service committee head, HuskyTHON team captain, FYE mentor, and went on the International Immersion Trip to Ireland!
How has the BCLC helped you prepare for your internship/graduate school?

The BCLC really helped me step into the business world Day 1 of college. I learned how to network, how to get my resume into a clean, 1-page format, how to dress for the job, how to properly shake hands, when to give a business card, how to write follow-up emails, and how to give an elevator pitch. So, the BCLC truly set me up to be successful and land a job just out of college. But it also gave me lifelong friends and memories!
